

Dehydrating Time

Joseph Parish

Pam and the dehydrator have a very busy day ahead. We picked up 10 packages of 2 pound each hamburger (total 20 pounds of burger), 4 packages of mixed cabbage, peppers and onions, 4 packs of spiral noodle Sweet Potatoes, 3 packs of button mushrooms, 4 packs of squash, 9 packages of Portobello mushrooms, 2 packs of shredded mushrooms and three packages of snap beans. That will certainly keep the dehydrator busy today. We might even have to bring the second dehydrator out as well.
